A DELICIOUS WAY TO SUPPORT

YOSH (youth of St. Hilary's) are working toward 2 wonderful Missions/Learning/Service Opportunities in Florida for Summer 2020. Middle Schoolers will be spending a week at Dayspring Mission Camp in Ellenton, FL to engage with the neighboring community and experience evangelism while interacting with the world. Mission Camp provides wonderful tools for developing young leaders' call to care for the world around them. The High Schoolers will be serving in Panama City on the ongoing Disaster Relief and Repair. Hurricane Michael brought devastation throughout the Florida Panhandle. Mission teams will minister to these communities in the Panama City area working to repair homes to livable conditions. We are excited to see what God is going to do through our students showing the love of Christ to families and communities through action and service.
